

**2nd International Conference “Energy Efficiency in Industry,
Agribusiness, Housing and Communal Services”
16-17 September 2015, Kyiv**

Day I	
8.00-9.00	Registration of the participants. Morning coffee
9.00-9.45	Official opening. Welcome speech
	<p>Ms. Oksana Reminska, President of the Association on Energy Efficiency and Energy Saving</p> <p>Mr. Gennadiy Zubko, Vice-Prime Minister, Minister of Regional Development, Construction and Communal Services of Ukraine</p> <p>Mr. Yaroslav Krasnopol'skiy, First Deputy Minister, Ministry of Agrarian Policy and Food of Ukraine</p> <p>Ms. Isabelle Dumont, Extraordinary and Plenipotentiary Ambassador of France in Ukraine</p> <p>Mr. Oleksiy Ryabchyn, Member of the Ukrainian Parliament, Head of Parliamentary Subcommittee on Energy Savings and Efficiency</p> <p>Ms. Nataliya Katser-Buchkov's'ka, Member of the Ukrainian Parliament, Head of Parliamentary Subcommittee on Sustainable Development, Strategy and Investments</p> <p>Mr. Sergiy Savchuk, Head of the State Agency on Energy Efficiency and Energy Saving of Ukraine (SAEE)</p> <p>Ms. Ima Khrenova-Shymkina, Deputy Project Director, Project "Energy Efficiency in Municipalities", implemented by GIZ</p> <p>Ms. Gabriela Miranda, Manager, Sector Competitiveness Strategy for Ukraine project, OECD</p>
9.45-11.00	Panel discussion 1. Energy efficiency as a priority vector of energy policy
	<p><i>Moderator: Ms. Oksana Reminska, President AEE</i></p> <p>New legislation in the context of European Energy Integration: barriers and achievements, Mr. Oleksandr Dombrovskyy, Member of the Ukrainian Parliament, Deputy Head of the Parliamentary Energy Committee</p> <p>Overview of policy and energy efficiency programs in Ukraine, Mr. Sergiy Savchuk, Head of SAEE</p> <p>New European Energy Efficiency Directive, Mr. Krzysztof Gierulski, (Support Group for Ukraine (SGUA), Brussels</p> <p>Project "Energy Efficiency in Municipalities" implemented by GIZ, Ms. Ima Khrenova-Shymkina, Deputy Project Director</p> <p>Energy Efficiency Obligations for Ukraine under the Energy Community Treaty – news from last year, Ms. Svitlana Karpyshyna, Seconded Expert, Energy Community Secretariat</p>
	Thematic discussion
11.00-11.30	Coffee break
11.30-13.00	Panel discussion 2. Sources of financing: from potential opportunities to real implementation
	<p><i>Moderator: Mr. Nicolas Perrin, Counselor on Agricultural Issues, Embassy of France</i></p> <p>Financing Energy Efficiency: EBRD Experience and New Programmes, Mr. Sergiy Maslichenko, Senior Manager, Energy Efficiency and Climate Change Department, EBRD</p> <p>Credit energy efficiency programs. State participation in co-financing local authorities, Mr. Mykola Ilyinov, Head of the Center for energy efficiency, "Ukrasbank"</p> <p>Financial Programs and experience in implementing energy efficiency projects, Mr. Alexey Doumik, Technical consultant, Nordic Environment Finance Corporation "NEFCO"</p> <p>The state program of energy efficiency and participation of JSC "Oschadbank", Ms. Tatyana Borzykh, Deputy Head Department, Oschadbank</p>
	Thematic discussion
13.00-14.00	Lunch
14.00-15.30	Panel discussion 3. Improving of energy efficiency: practical dimension
	<p><i>Moderator: Mr. Svatoslav Pavluk, Covenant of Mayors - East</i></p> <p>Implementation of energy efficiency projects in industry and agriculture, Mr. Igor Kyrylchuk, National Project Coordinator, UNIDO</p> <p>Energy Efficiency Projects: implementing experience, Mr. Alexander Sokolov, Advisor, TOYOTA TSUSHO CORPORATION</p> <p>Modelling of energy balance as an instrument of Ukrainian energy security, Mr. Glib Stryhunenko, Technical Coordinator, Ukrainian-Danish Energy Center</p> <p>Energy management system as a tool for implementing energy efficiency measures: regulatory and financial incentives, Mr. Oleksiy Pashchenko, National Project Coordinator, UNIDO</p> <p>Creation of Energy Efficiency Information Centers, Mr. Sergiy Dubovyk, Vice-President, Ukrainian Pelet Union</p>
	Thematic discussion
15.30-16.00	Coffee break
16.00-17.30	Panel discussion 4. Innovative Decisions for Industry and Agribusiness
	<p><i>Moderator: Ms. Yuliya Usenko, All-Ukrainian Sustainable Development and Investments Agency (SDIA)</i></p> <p>Legislative promotion of bio-energy projects introduction in Agroindustrial Complex, Mr. Maksym Sysoiev, Associate, Dentons</p> <p>Benefits of using heat from exhaust gases in industry, Mr. Jean Bach, Director, "Kuttner Ukraine" LLC</p> <p>Biomass projects in industrial and district heating, Mr. Michel FORGET, Project Manager, BETEN Ingenierie</p> <p>Implementation of "third energy package": legislative and technical support for implementation and operation of intelligent metering systems, telemetry, automatic process control systems of gas facilities in Ukraine, Mr. Vitaliy Eysmont, President, Association of Manufacturers and Suppliers of Gas Equipment</p> <p>From Powder to Power: Ukrainian Way, Mr. Oleksandr Vasylyev, Institute for Problems of Materials Science, "Zirconiy Ukraine" Ltd.</p>
	Thematic discussion
18.30-20.00	Welcoming Buffet

giz

**2nd International Conference “Energy Efficiency in Industry,
Agribusiness, Housing and Communal Services”
16-17 September 2015, Kyiv**

Day II	
8.30-9.00	Registration of the participants
9.00-15.30	Panel discussion 1. Energy efficiency in building sector
9.00-10.30	Section 1. Passive houses: far-sighted future or today's reality
	<p><i>Moderator: Ms. Oksana Reminska, President AEE</i></p> <p>Energy-efficient buildings in Europe, Belarus, Ukraine. Methodology of design, construction, operation, Mr. Alexander Kucheravy, Architect (Belarus)</p> <p>First multi comfortable house in Ukraine: solution from OptimaHouse, Mr. Ivan Perehinets, Program Director, "Dostupne Zhytlo Ukrainy"</p> <p>Expertise of "Gerhard Hauser" in the construction of passive houses, Mr. Gerhard Hauser, Director, Gerhard Hauser (Austria)</p> <p>Thermo active storage building systems in industry, Mr. Volodymyr Brunko, Director, KyivZNDIEP</p> <p>Modern bio-heater: technology of the future, Mr. Igor Nedilko, Independent Expert, Vasylykiv city</p> <p>Thematic discussion</p>
10.30-11.00	Coffee break
11.00-12.30	Section 2. Energy Performance Contracting: practical application in Ukraine and world
	<p><i>Moderator: Mr. Svatoslav Pavluk, Covenant of Mayors - East</i></p> <p>Legal aspects and Ukrainian energy services market, Ms. Marina Ilchuk, legal associat, Arzinger Law firm</p> <p>Implementation of energy services contracts in public sector, CE "KyivVESKO", Dmitriy Ocheretyany, Head of the Advance Development Centre</p> <p>Implementation of Energy Performance Projects in industry: LED lighting, Mr. Oleksandr Pogorilyi, General Director, «IntelTech Ukraine» LLC</p> <p>Energy service as mechanism for reforming a management system of energy efficiency and ecological safety of Ukraine, Mr. Oleksandr Boyko, Energy Services Union of Ukraine</p> <p>Thematic discussion</p>
12.30-13.30	Lunch
13.30-15.30	Section 3. Heat supply: old traditions or reasonable alternative
	<p><i>Moderator: Ms. Yuliya Usenko, All-Ukrainian Sustainable Development and Investments Agency (SDIA)</i></p> <p>Presentation of the best energy-efficient solutions and projects: Experience of Sweden, Ms. Julia Kosulko, Consultant Energy Systems, Sweco</p> <p>Individual metering of heat consumption in Ukraine, Mr. Viktor Pyrkov, Danfoss Ukraine</p> <p>Heat energy from agricultural waste production: experience of Moldova with assistance of Japanese technology, prof. Vasile Bumakov, Ministry of Agriculture and Food Industry of Moldova</p> <p>Use of renewable energy in heating systems, Mr. Andrii Sukhoriabov, Team leader, CKC-ESCO, Slavutych city</p> <p>Thematic discussion</p>
9.00-10.30	Panel discussion 2. Resource efficiency and sustainability in agribusiness and chemical industry
	<p><i>Moderator: Ms. Ganna Gladkykh, Adviser to head of parliamentary subcommittee on energy savings and efficiency</i></p> <p>Current state and prospects of bioenergy development in Ukraine, Georgi Geletukha, Bioenergy Association of Ukraine</p> <p>Biogas projects "turnkey" Kyiv Bio Center, Mr. Vyacheslav Tulin, Director, "Kyiv Bio Centre" Ltd.</p> <p>New approaches to solid biofuel production, Mr. Volodymyr Bunetskiy, Kharkiv Agricultural University by P. Vasilenko</p> <p>Land for implementing energy efficiency projects: from registration to obtaining rights, Mr. Victor Kobylansky, Head of the agricultural and land rights Committee under Association of Lawyers of Ukraine</p> <p>Development and commercialization of bioenergy technologies in municipal sector of Ukraine, Mr. Alexander Ignatenko, Chief Advisor, UNDP/ GEF Project</p> <p>Waste: their study and use - path to energy independence and increasing of enterprises' competitiveness, Mr. Igor Dmytrenko, Director, Ukrdricement</p> <p>Thematic discussion</p>
10.30-11.00	Coffee break
11.00-12.30	Panel discussion 3. Renewable energy sources: reloading
	<p><i>Moderator: Ms. Yuliya Usenko, All-Ukrainian Sustainable Development and Investments Agency (SDIA)</i></p> <p>Operation of renewable market "guaranteed buyer", Mr. Gennady Ivanov, Head of Department, SE "Energorynok"</p> <p>Mechanisms and practical aspects of protecting the interests of investors under European Energy Community, Mr. Yaroslav Petrov, ASTERS Law firm</p> <p>Raw materials and industrial potential for the development of solar energy in Ukraine, Mr. Valeriy Studentsov, Expert, PC "Derzhzovnishinform"</p> <p>Solar power stations for private households: yesterday, today and tomorrow - from theory to practice, Mr. Vyacheslav Myzharev, Founder, KbEnergy</p> <p>Resource-efficient and clean production - a tool of enhancing of enterprises' competitiveness, Mr. Igor Shylovych, Director, Resource Efficient and Cleaner Production Centre (UNIDO)</p>
12.30-13.30	Lunch
13.30-15.30	Panel discussion 4. Energy efficiency and energy saving in industry and energy sector
	<p><i>Moderator: Mr. Oleg Kozachuk, First Deputy General Director, JSC "Khmelnyskoblenergo"</i></p> <p>Electric cars. Development in Ukraine, Ms. Olena Gil, Head of Head Department, Oschadbank</p> <p>Prospects for independent electric transport market in Ukraine, Mr. Arseniy Abdurayimov, Chairman, NGO "Association of Ukrainian market electric vehicles"</p> <p>Experience of "Naftogaz Ukraine" in the energy efficiency direction, Mr. Maxim Bezv, Department Director, NAC "Naftogaz Ukraine"</p> <p>Energy audit of industrial enterprises, Mr. Volodymyr Mamalyga, Executive Director, All-Ukrainian PO "Energy Auditors&Energy Managers Supreme Council of Ukraine"</p> <p>Energy efficiency in industry: trends 2015, Mr. O. Zrazhevskyy, CEO, OP "Metallurgprom"</p> <p>Mini electric power systems, Mr. Victor Butok, Expert, RPR</p> <p>Thematic discussion</p>
