

3rd International Conference “Energy efficiency in Industry, Agribusiness, Housing and Communal Services”

4 October 2016
President Hotel, Kyiv

9:00-9:30	Registration and welcome coffee
9:30-9:45	Opening speech Ms.Oksana Reminska , President of Association on Energy Efficiency and Energy Saving Ms.Isabelle Dumont , Extraordinary and Plenipotentiary Ambassador of France to Ukraine Mr.Kyrylo Shevchenko , Chairman of the Board of JSC "UkrGasbank"
9:45-11:00	1. Panel discussion “Energy efficiency in Ukraine: driving or slowdown?” Moderator – Mr.Oleg Kozachuk , AEE Vice-President - Will Ukraine reduce energy consumption by 9%, as declared in the National Action Plan for Energy Efficiency 2020? - Energy efficiency policy or just doublespeak? - Energy efficiency fund: expectations? - What needs to be done principally for the improvement of legislation? - ESCO market, one year on: how many projects have been started? - Is management of international or national grant funds effective? - Tariff raising: Optimization of energy efficiency policy or hitting consumer pocket? Participants: Mr.Oleksandr Dombrovskyy , Acting Chairman of the Committee on Fuel and Energy Complex, Nuclear Policy and Nuclear Safety, Member of the Ukrainian Parliament (tbc) Mr.Olexiy Ryabchyn , Head of the Energy saving and energy efficiency sub-committee, Member of the Ukrainian Parliament Mr.Krzysztof Gierulski , Support Group for Ukraine, European Commission Ms.Nataliya Boyko , Manager on Energy Reform, Project Office of the National Reforms Council Mr.Sergiy Maslichenko , Senior Manager, Energy Efficiency and Climate Change Department, EBRD. Mr.Sergiy Savchuk , Head of the State Agency on Energy Efficiency and Energy Saving of Ukraine Mr.Sergiy Silchenko , Partner at Law firm ILF Mr.Svyatoslav Pavlyuk , Energy efficiency expert
11:00-11:30	Coffee-break / Press-conference*

11:30-13:00	Leverage to implementation of energy efficiency projects in Ukraine: financial instruments and legislative initiatives	
	2. Section "Public Utilities and Industry" Moderator – Ms.Oksana Reminska, <i>AEE President</i> Mr.Rodion Morozov, Director of environmental reengineering and implementation of resource conservation projects JSB "Ukrasbank". <i>"Financial products for energy efficiency projects in industry and utilities."</i> Mr.Ivan Bondarchuk, Lawyer, LF «ILF». "Legislation initiatives and ESCO market in Ukraine". Mr. Valery Henzitsky, Project Manager LLC "DTEK-ESCO". "Energy service in industry: State, Problems and Prospects". Mr. Igor Cherkashyn, National expert, TMEL UNDP. "Transforming of Ukrainian market in the direction of energy efficient lighting: trends, policies, tools".	3. Section "Agriculture and food industry" Moderator – Mr.Oleksandr Zhemoyda, <i>Acting Director, Ukrainian agribusiness club</i> Mr.Nicolas Perrin, Agricultural Counselor, Embassy of France in Ukraine. "Energy efficiency of Ukrainian agricultural sector and opportunities for bilateral French-Ukrainian cooperation". Ms.Olena Riazanova, Deputy Head of Food, Beverage, and Agriculture Clients at «Ukreximbank». "Financing of energy efficiency projects in agriculture". Mr.Igor Kyrylchuk, National project coordinator, UNIDO. "New opportunities for the implementation of energy efficiency and renewable energy projects for small and medium-sized companies at food and agricultural industries". Mr.Oleksii Soloviov, PhD, Associate LF "Jeantet Ukraine", Member of the Public Council under the Antimonopoly Committee of Ukraine. "Ukrainian green tariff in action: Recent Cases".
13:00-14:00	Networking lunch	

14:00-15:30	4. Section “Energy efficient technologies in construction, housing and public utilities”	5. Section “Energy saving in agriculture and food industry”
	Moderator – Mr. Yakiv Osypchuk, Eco-Pena Mr. Jean-Loup Salaun, Manager & Partner, Architect agency «ARC-MOE» (France), AEE member. “Modern energy efficient construction”. Mr. Maksym Herbut, CEO, «PassivDom». “Energy-saving stand-alone houses”. Mr. Dmytro Zozulya, Development Director, «Termocont». “Biomass central heating systems”. Mr. Orest Zhurakivsky, Head of Department, «Sniezka-Ukraine». “Energy efficient building’s modernization of housing cooperatives by products of FOVEO TECH from Group of companies Śnieżka”.	Moderator – Mr. Vitaliy Postolenko, AEE Vice-President Mr. Borys Onischenko, Manager on regional development, «KUH Ukraine». “Energy efficiency and productivity, construction concept and practical solutions by KUH”. Mr. Yuriy Farenjuk, Director, «TEFF». “Modern and efficient technologies for biomass burning”. Mr. Yuriy Gnesin, Manager, BWE Burmeister & Wain Energy A/S (Denmark). “Industrial biomass power plants: construction and operation experience.” Mr. Borys Onischenko, «KUH Ukraine». “Practical solutions by KUH: how to reduce energy consumption while producing grain by 40%”.
15:30-16:00	Coffee break	

16:00-17:40	Moderator – Mr.Dmitry Vasilyev, Advisor to the Vice-Prime Minister of Ukraine, expert of the UNDP project "Energy Efficiency Expert hub" Mr.Yuriy Schyrin, CEO «Agency of Industrial Marketing». <i>"Ukrainian market trends of energy efficient materials and technologies"</i>. Mr.Oleksandr Kolesnichenko, Director, LLC «LED Light Solutions». <i>"Energy efficient lighting in industry, housing and public utilities"</i>. Mr. Klepanda Alexander, Director «Insolar». <i>"Energy saving under the tight financial deficit."</i> Mr.Yevhen Kun, Co-founder of the group of companies "Interproekt." <i>"Modernization of the municipal sphere of small towns."</i>	Moderator – Mr.Artem Belenkov, Founder «Smartfarming» Mr. Andriy Gordiychuk, Chairman of the Board, Svarog West Group. <i>"Modern dairy derivative complexes"</i>. Mr.Artem Belenkov, Founder «Smartfarming». <i>"Experience of innovating technologies application in crop farming"</i>. ASTARTA holding. <i>"Energy Efficient solution of ASTARTA"</i>. Mr. Sergiy Pustovit, Energy manager, LLC «Obolon». <i>"Substitution of fossil fuels by alternative energy sources in food industry"</i>.
17:40	Conference closing remarks	
18:00-20:00	Gala dinner
